

**Puget Sound Partnership GreenSTEMS  
Pledge of Commitment 2010-2011**

As a participant with the Pacific Education Institute's and Puget Sound Partnership's GreenSTEMS program, you are involving students in real world, hands-on projects that connect them with their local watersheds and the Puget Sound. Thank you!

To ensure the success of our programs, we are asking each teacher to:

- Complete a Project Documentation Form for each student project (attached).
- Provide samples of quality student work, including reflections and presentation materials.
- Administer a student survey at the end of the school year.
- Complete a short teacher survey at the end of the school year.
- Involve students in at least one opportunity to showcase their work.
- Share with other teachers and administrators your successes and challenges this year, utilizing the project reporting rubric (attached).
- Provide 3-5 of your best photos (with captions) with student release forms.

All written descriptions, photos and student samples will be given to Gigi Williams by June 8<sup>th</sup>, 2011.
